

TRAVEL GAME – rules

Pupils use the game board to play the TRAVEL GAME. They listen to the questions read by the teacher. Choosing the correct answer pupils move to the right or left progressing through the levels until they reach one of the cities. The teacher reads the name of the city that should be reached when answering all the questions correctly.

Answers:

1 right – not every spending of money is an investment

2 left – it is necessary to create the emergency fund

3 right – it is not the same, the total sum depends on the number of children in a family

4 right – the risk is that there is a possibility of not gaining the expected profit or utility

Final destination: Rome
